

Solgar Vitamin E

Natural Vitamin E is an essential nutrient and is the body's primary, fat-soluble antioxidant. Vitamin E provides nutritional support for the cardiovascular system, skin, prostate, and the immune system. It helps fight cell-damaging free radicals that cause oxidative stress in the body, which may contribute to the premature aging of cells. This formulation provides natural Vitamin E (as d-Alpha Tocopherol plus d-Beta, d-Delta and d-Gamma Tocopherols). It is offered in plant oil-based, vegetarian softgels to promote optimal absorption and assimilation.

- **D-Alpha Tocopherol plus D-Beta, D-Delta and D-Gamma Tocopherols**
- **Natural Antioxidant**
- **Gluten, Wheat & Dairy Free**
- **Suitable for Vegetarians**

Free Of Gluten, wheat, dairy, yeast, sugar, artificial flavor, sweetener, preservatives and color.
